

Footsteps2Brilliance

Beginning with the 2015-2016 school year all Newport children ages 3 to third grade will have an exciting opportunity to jumpstart their literacy skills. Footsteps2Brilliance is a mobile literacy technology that can be accessed using any smart phone, tablet, iPad or computer. Footsteps2Brilliance puts over 1,000 eBooks, songs, and learning activities in the hands of every parent, early childhood providers, and support agency located within the boundary of the Newport Independent School District. Your child will laugh and learn as the stories come to life with animation and music. Available in English and Spanish, the eBooks and games are a proven flexible bilingual program and ideally suited to meet the needs of English Language Learner (ELL) and students with special needs.

For more information go to www.footsteps2brilliance.com. Newport children attending preschool through third grade will be registered by their teacher all other children can be registered by their parent at www.myf2b.com/register/newport.

Information booths will be set up at our Back to School Bash, **Monday, August 10th** at the Newport Football Stadium, Newport Primary School Open House, **Wednesday, August 12th** and Newport Intermediate School Open House, **Thursday, August 13th**.

Parent Training for Footsteps2Brilliance will be held on September 9th from 3:30-6:30 at the Newport Primary School.
