Ask About Our Bilingual Early Learning Literacy/Reading & Equity Access Service Grant

What would your schools, bilingual family literacy, absenteeism rates, discipline issues, graduation success, and incarceration rates look like if on the very **FIRST DAY** of school, **ALL** of the children that walked into your classrooms could read and were ready to learn? Footsteps2Brilliance has proven to achieve these results when your children use our solution just 15 minutes per day.

This \$5MM Service Grant is **ONLY** available to transformative leaders

The Model Innovation City Initiative

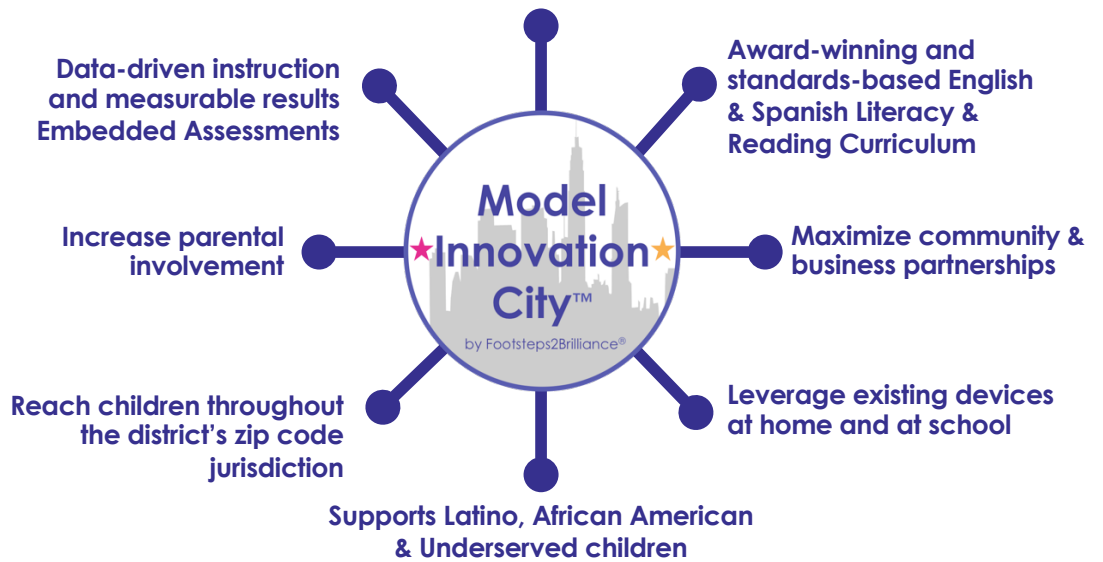

The Model Innovation City Program is a White House recognized, Superintendent & Literacy Advocate led **social justice and equity access bilingual literacy initiative**. This partnership gives every school, every family, and every community **FREE** access to the Footsteps2Brilliance Enterprise Literacy & Reading App. This App is award winning, sole source, and Standards-based. This solution is a comprehensive **English and Spanish** literacy/reading service that can be accessed 24/7 on ANY mobile device or computer, with or without an internet connection. We've gamified learning to make it fun!

Video Overview: <https://www.youtube.com/watch?v=7M2vA35KqXk>

Our curriculum and services includes: Reading-Fiction & Non-Fiction, Math, STEM, Social/Emotional Skill Development, Social Studies, Science, Character Development, and much more!

Serve **ALL** children in your city or county at **NO COST**
Supporting birth through grade 3

In 2015, The White House asked Footsteps2Brilliance to help lead their **Educational Excellence for Hispanics** initiative to create Model Innovation Cities with Inclusive and Disruptive Leaders. **We're seeking to partner with leaders that desire to eliminate the Prison Pipeline for ALL children**
